 - One similar completed works costing not less than the amount equal to 80% (Rs 162.82 Lakh) of the estimated cost.

Similar order means, the bidder must have executed the work of maintenance/overhauling of Turbine Maintenance and its auxiliaries in thermal power Plant of capacity not less than 210 MW in any Govt./ Semi Govt. / CPSU/SPSU/ SEB's/ Reputed private organization.

- The bidder should have valid Employee Provident Fund code no., GST registration certificate and ESI Registration on their firm name.
- Bidder has to submit a self-declaration that the agency has not been blacklisted from any Govt/Semi Govt./ CPSUs/SPSUs/SEB's/ Reputed Private company at the time of bid submission.

B. Financial Qualification requirements :-

- a) The average annual financial turnover of the bidder, during the last 03 (three) financial years ending 31st March 2025 should be at least 30% (Rs 61.06 Lakh) of estimated cost. The bidder should submit authenticated copies of Profit & Loss and Balance sheet of last three financial years. In case where audited results for the last financial year are not available, certification of financial statements from a practicing Chartered Accountant shall also be considered.
- b) The bidder should have financial credibility /capacity of at least 10% (Rs 20.35 Lakh) of estimated cost. Bidder must submit Bank Solvency Certificate as per format provided as annexure in the tender document, issued within current financial year, of any Indian Nationalized / Scheduled Commercial Bank in support of their financial credibility /capacity.
2. The tender document is to be downloaded from the TVNL www.tvnl.in / GeM Portal website: gem.gov.in. Tenders will have to be submitted in GeM Portal website: gem.gov.in.
3. Bidder have to fill as well as attach scanned copies of the related documents to qualify in the part-I (Technical & commercial) on GeM Portal website: gem.gov.in failing which the bid may be rejected.
4. Tender without Earnest Money shall not be considered. Cost of tender document and earnest money deposit (EMD) of requisite value as specified above is to be deposited well before submission deadline. EMD may be furnished in the form of Bank Guarantee in required format from any Indian Nationalized Bank/ Schedule Commercial Bank in favour of "TENUGHAT VIDYUT NIGAM LIMITED" payable at Ranchi. The Bank Guarantee should remain valid for 12 months. Incase BG is to be submitted against Earnest money deposit (EMD) it is to be submitted to TVNL contact person in a separate envelope so that the contact person will enter the BG details against EMD in the respective RFx well before the submission deadline, failing which offers are liable for rejection.
5. The earnest money will be forfeited on revocation of tender before expiry of validity of the tender or on refusal to enter into the contract after the award is made by TVNL to the bidder.
6. Any corrigendum/Addendum/Extension of bid opening date and cancellation of NIT will be published through GeM Portal website: gem.gov.in and TVNL website www.tvnl.in only and not through newspaper. The bidders are requested to visit the website regularly for any addendum/corrigendum/extension till opening of NIT.
7. **It is requested from all the prospective bidders to undertake a site visit at your own cost before submitting your bids. The purpose of the site visit is to provide the bidders with a comprehensive understanding of the scope of work according to the site requirements. Further, the bidders during the site visit may contact the Engineer-in-charge of the work to get the status of the skilled/unskilled manpower presently engaged in the aforementioned contract which must be retained by the prospective bidder according to their acquired skills and their PAP status for smooth transfer of work from present contractor to another. TVNL/TTPS will not entertain any requests for clarification or modification of the tender document in this regard after the bid submission deadline.**
8. By submitting their bids, bidders acknowledge that they have undertaken a site visit and have a complete understanding of the site requirements. TVNL/TTPS reserves the right to verify the authenticity of the site visit undertaken by the bidder.
9. The due date of bid opening as mentioned in the tender will remain firm. However, in case of unforeseen circumstances or due to administrative reasons the bids are not opened on the due date, the same shall be opened on the next working day at the same time. In case the last date of submission of bids is declared as holiday, the bids received up to the time of closing of bids on the next working day shall be considered for opening.
10. TVNL reserves the right to reject any / all offer increase/decrease or to distribute the quantity among the bidders without assigning any reason thereof.

 - vi. Any other items related to safety rules may be assumed in contractor's scope.
- If workers employed by the contractor found not using PPE a recovery will be made at the rate of Rs. 50/- per worker per day per occasion. Any compensation payable to your employee in the event of accident or casualty has to be borne by you and Nigam will not be responsible on this account in any case. In case of any damage due to negligence mishandling and mal operation by the staff of contractor, the damage would be made good by the contractor at his/own cost. In case of non-compliance, proportionate deduction will be made from the bills of the contractor. Any compensation payable to the Contractor's employee in the event of accident or causality has to borne by the Contractor himself and TVNL will not be responsible on these accounts in any way.
- 17. GENERAL TERMS & CONDITIONS**
- a. Scope of the work:** Scope of the work is detailed in RFQ to execute the work. However contractor has to execute all the work as per direction of Engineer-in-Charge for proper working of equipment.
 - b. Labour Laws:** The bidder has to follow the guidelines laid under the labour law, workmen compensation, and EPF rules in respect of minimum wages, EPF payment, ESI registration of all its employees and monthly/Yearly premium payment as per the guidelines of State Labour Deptt. and other service conditions. In the event of any accident / casualty to the employees of contractor, the compensation payable to the employees is to be borne by the contractor and TVNL will not be responsible in any way.
 - c. Minimum Wage Guarantee:** The contractor shall strictly ensure that the minimum wages as stipulated by GoJ from time to time is paid to their workmen. Any increase in minimum wages during the period of contract, will have to be paid to their workmen without any claim on TTPS/TVNL. If the contractor fails to comply with guarantee of minimum wages then the agreement is liable to be terminated and security money may be forfeited.
 - d. Taxes:** All statutory taxes as applicable shall be deducted from bill of contractor.
 - e. Violation of Terms & Conditions of Tender:** All terms and conditions of tender shall form a part of the contract. If contractor fails to execute the work up to entire satisfaction of Engineer -in -Charge as per terms & conditions of tender, then the contract agreement can be terminated on one month prior notice and security money shall be forfeited.
 - f. Subletting:** The successful bidder will have to execute the work directly. No subletting will be allowed.
 - g. Man Power:** A list of manpower arranged by the contractor should be submitted to Engineer -in -Charge of the work before deployment and same should be deployed with due permission of Engineer -in -Charge. If the performance of the deployed person is not found up to the mark at any time, the contractor will

have to replace them with experience and suitable person. During the period of absence of contractors personnel TVNL will have right to deduct penalty from contractor's bill.

- h. Tools & Tackles:** The contractor should have to arrange minimum of minor and special tools & tackles as per scope of work whereas heavy tools like hydra crane will be arranged by TTPS if available as per request of contractor. Contractor will arrange standard make tools after getting approval from EIC. Contractor will arrange welding M/C, gas cutting set etc to carry out any mechanical work in maintenance of field instruments as and when required. The entry of tools and tackles inside the power house should be verified by the CISF and should match with the requirement. Pro-rata deduction will be made if any mismatch is found.
- i. Consumables:** The contractor has to provide all consumables like microfiber cloths, brushes, brooms, cotton waste, markin cloth, Rustolin, K-Oil, Petrol/Diesel and abrasive materials at their own cost, if required and applicable. Other consumables like gaskets, gland packing, asbestos rope, 'O' ring etc. shall be supplied by TTPS/TVNL free of cost, if applicable. The entry of consumables inside the power house should be verified by the CISF and should match with the requirement. Pro-rata deduction will be made if any mismatch is found.
- j. Site Cleaning:** The Contractor must keep clean the working area after completion of the job. Waste materials and garbage shall be disposed off by the contractor at suitable place as per the instruction of the Engineer-in-Charge. Old unserviceable spare parts if so, has to be returned by the contractor to the Central Store/Site Store of TTPS as per the instruction of the Engineer-in-Charge.
- k. Facilities to be provided by TVNL:**
 - a.** Special T&P, jigs and fixtures, which are supplied by the OEM or procured by the TVNL shall be supplied as required.
 - b.** Closed space nearest to work spot for storing of our T&P and a room for office.
 - c.** Service water, Electricity and compressed Air nearest to work spot.
 - d.** E.O.T crane as and when required.
 - e.** Guest house facility shall be provided to the visiting engineers/officers of the Contractor on chargeable basis if available.
 - f.** Unfurnished accommodation may be provided to the employees of the Contractor, if available during the period of execution of work in TTPS Township on rental basis as per departmental rule.
 - g.** Medical facility as available at project site shall also be extended to the employee of the contractor. No payment will be made for any medicine purchased from outside or any treatment or test done outside the TTPS Hospital.
- l. Working Administration:** In general working hours of the TTPS employee will be the working hours of employee of Contractor. However, in case of emergency or as per requirement of the job, contractor's employees will be required to work beyond working hours and also on rest days and holidays on the direction of Engineer -in -Charge. Employees deployed by the contractor will be under the operational control of Engineer -in -charge. In case of any employee working in shift/general duty falling sick or proceeding on leave the facts shall be brought to the knowledge of Engineer -in -Charge and deficit will be made by the contractor either by the existing staff by performing overtime duty or getting other manpower without adding any additional cost to the Project. It shall be binding on contractor that it does not directly or through its personnel divulge the secrecy of the establishment of TTPS. Any person deployed by contractor will not be a member of any trade union operating in the TTPS Projects establishment or outside. They will not take part in any strike or sympathized with any such movement. No employee should be aged below 21 years and above 60 years. Age shall be mentioned in the identity card. The agency shall ensure that no unauthorized persons create any nuisance, disturbance, theft or pilferage of TVNL property or unauthorized transportation. The agency shall apprehend culprit and bring it to the notice of authorities of TVNL. If directed, the agency shall hand over them to local police authorities and follow – up the cases with police authorities on behalf of the TVNL Management and keep a close liaison with local police authorities for follow up action.
- m. Penalty:** In case of any breakdown, fault or emergency maintenance, the contractor has to attend the same without any delay. In case of failing or deliberated neglect, the work will be carried out through outside agency at the cost & risk of the contractor and this may be liable for termination of their contract.
- n. Departmental Facilities:** In case of major repair of equipment and testing of special equipment contractor should have to provide services of an expert from manufacturer and special tools & tackles. The contractor will also provide all other technical staffs and T&P's consumables etc free of cost. However, all spares parts shall be provided by TVNL on free of cost.
- o. Transportation:** Successful bidder will be required to arrange his own conveyance for their employee for attending their duties. However, in case of emergency call during night, transport available may be provided by TTPS.
- p. Mobilization Time:** The successful bidder will be given maximum 10 days time from the date of Information for mobilization of resources, manpower and starting the work. The contractor failing to enter into agreement within 30 days of receipt of Work order and if fails to start the work within 10 days from the date of written information of Unit shutdown will lose the work order and earnest money/security money and work will be allotted to L2, L3.....bidder if they agree.

- 18. Agreement:** The firm or his legally authorized representative having Power of Attorney will have to execute an agreement with the ordering authority within **30** days of issue of order in the event of placement of order on them. The agreement will have to be prepared on a non-judicial stamp paper of Rs.100/- on Nigam's format. Bank Guarantee against Security Deposit, Performance Guarantee etc. as per order will have to be furnished well before execution of agreement. The contractor is required to produce all original paper and documents for verification before agreement failing which order will be cancelled. Contractor will not be allowed to start the work without executing the agreement.
- 19. Jurisdiction of Court:** Any dispute between the Contractor and TVNL shall be settled in the civil court, at Ranchi, Jharkhand only.
- 20. Competent Authority:** Managing Director TVNL reserves the right to extend the due date and to reject any/all the tenders or to increase / reduce/ distribute the quantity of tender without assigning any reason thereof and not bound to accept the lowest tender or to assign any reason for the rejection of the lowest tender. During the execution of work in case of any dispute between the Engineer-in -Charge and contractor, the decision of GM- cum-CE, Tenughat TPS will be final and binding.
- 21. Variation of quantities of work:** The contract price is based on the units rates and the quantities of items stipulated in the contract. The contract price may undergo corresponding change, if the work orders for change in quantities of items during execution of work. However, the units rates indicated in price schedules shall remain firm and shall not be subject to any escalation whatsoever.
- 22. Extension of Contract :** If found satisfactory the contract may be extended for further period agreed mutually on same rate, terms and conditions however the only applicable VDA declared by the GOJ after the completion of the contract period with overhead at the rate of 35.94% (EPF, Bonus, ESI & contractor's profit) will be enhanced in the contract monthly value on production of documentary evidence and on due initiation of PR by E-I-C and after approval of competent authority.
- 23. Liquidated Damages for Delay in Completion:** In case of any delay in the execution of the work beyond the stipulated date of completion/ Completion schedule including any extension permitted in writing, TVNL reserves right to recover from the agency a sum equivalent to 0.5% of the value of the delay work for each week of delay and part thereof subject to a maximum of 5% of the total value of the work.

(Signature & Seal of Bidder)

Sub: Annual maintenance contract (AMC) for running maintenance and short breakdown maintenance works in Turbine & its auxiliaries of 2x210MW units at TTPS, Lalpania for two year period.

SCOPE OF WORK

General Works:-

A. Routine Mechanical Maintenance Jobs of Main Turbine and Turbine auxiliaries system:-

1. Cleaning of oil filters of main governing rack, LP bypass governing rack, filters of oil trench, filters of fire protection system, thrust bearing filters and filters of seal oil system.
2. Checking of oil pressure /flow and oil leakages from the system (if any) from the lub oil system of Seal system of generator, turbine bearings, turbine governing, LP bypass governing and top up of the lubricants if required.
3. Cleaning of lub oil filters of BFP hydrocoupling.
4. Checking of complete BFP & CEP system for any leakages, abnormal sound, abnormal vibration, temp rise. bolt looseness etc. and top up of the lubricants if required.
5. Attending gland leakages from CEP, ACW pumps, CW booster pumps.
6. Checking of complete regenerative system including deaerator for any leakages, abnormal sound, temp rise.
7. Attending gland leakages by tightening of gland of various HP & LP valves in TG & Aux. areas.
8. Transportation of lubricants drums from central store to turbine area unit-I&II.
9. Shifting of empty drums from turbine area to central stores.
10. Checking of masonry air washer and sheet metal air washer system for any leakages, abnormal sound, vibration.
11. Checking of oil centrifuges for any leakages, any oil leakages, quantity of moisture collected in collection tray.
12. Topping up of Hydrogen in the generator.
13. Top up of oil in oil centrifuge, seal oil vacuum pumps. Draining of oil from coolers in seal oil vapor exhaust line.
14. Daily recording of all the critical parameters of TG & Aux. areas and its submission to E.I.C.

B. Preventive Mechanical Maintenance Jobs of Main Turbine and Turbine auxiliaries system.

1. Oil Leakage attending from the pipeline flanges of BFP lub oil and working oil coolers and mechanical seal coolers.
2. Cleaning of BFP suction strainers.
3. Cleaning of cooling pipeline of water jacket of BFP & BFP booster pumps.
4. Cleaning of CEP suction strainers.
5. PM of seal oil pumps (AC& DC).
6. PM of stator cooling water pump.
7. Attending Oil Leakage from pipeline flanges of coolers of seal oil system and stator cooling water system.
8. Preventive maintenance of main ejectors.
9. PM of submersible pumps in sump at minus meter of T.G. Hall unit-1.
10. PM of sumps pumps in minus meter of TG U-2.
11. Preventive maintenance of oil centrifuge.
12. Cleaning of basket strainer of MOT.
13. PM of Hot well and water boxes of condenser.
14. PM of Vacuum pump of seal oil system.
15. PM of Gland steam/ MOT/seal oil exhaust fans.
16. Servicing of hydrogen gas trap.
17. Cleaning of mechanical seal and water jacket cooling line of BFP booster and BFP.
18. Checking of bearing cooling lines of CEP.
19. Adjustment of seal oil DP as per direction of E.I.C.
20. Adjustment of stator water flow/pressure as per direction of E.I.C.

21. Checking of hydrogen leakages from different points in generator hydrogen circuit as per direction of E.I.C.

C. Breakdown Maintenance Jobs of Main Turbine and Turbine auxiliaries system:-

1. Attending leakages from glands of MAL valves.
2. Attending breakdown jobs in oil centrifuge.
3. Purging and dozing of H₂/CO₂ cylinders in generator.
4. Replacement of vacuum pump.
5. Replacement of LPT diaphragm.
6. Replacement of NRV of main steam ejectors.
